Winters in Taipei are very cold during the evening and very windy during the daytime. I usually look forward to the Lunar New Years Day and the winter vacation when I can go to the village where the climate is warmer during these holidays. Also, I look forward to seeing my grandmother, great-grandmother, and my friends in the village. I like my grandmothers food very much. Winter is the time everyone is in a festive mood. In the city, I usually do a lot of reading at home in the winter because of the cold weather outside. 100Test 下载频道开通，各类考试题目直接下载。详细请访问
