For me the autumn or fall season starts in September when school starts its new term. I usually do some shopping for school supplies and some winter clothes. The mild weather makes it very nice to study outside under the trees in a small park and read. I like to look up at the leaves changing colors from green to red and yellow, and then brown color. The park also has many bright fall flowers. sometimes I see a small squirrel come down from the tree to hunt for food on the ground. On the weekends, I sometimes like to fly my kite. Usually on the street corners you can see street peddlers selling warm baked sweet potatoes or hot peanuts. This is a nice time of the year. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
