Many local and foreign visitors go there daily to take pictures outside and spend endless hours inside. No cameras are allowed inside, but you can buy you can buy colored slides of the exhibits in the gift shop downstairs. There is a very large collection of beautiful jades. Also, there is an ancient bronze vessel exhibit. Some of the exhibits are changed regularly for special collections such as porcelain and silk paintings. My attention was mainly in the room with the wall-size slide show describing some archeological discoveries from pre-history time. Also, the oracle bones exhibit was very good. there seemed to be an endless amount of rare, beautiful, interesting, and fascinating things. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
