We have plants and flowers indoors and outdoors all the year round. Some of our plants were very small in the beginning, but now they are large and very beautiful. On top of our roof there is a big glass-enclosed greenhouse. All our friends love to come to our house to see the beautiful world my mother has made for us. Every morning and evening we see my mother taking care of her plants like little children. As her real children grow older and more independent, my mother devotes more time to her garden. This is a very good way to spend ones free time. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
