「我们为何要学英文」 Learning English is much more than a fad. it is really a must! Lets take a look around us: the latest information around the world is written in or translated into English. To keep up with the ever-changing world, we must be equipped with a good command of English. From a more practical point of view, armed English is one of the most important required subjects for the university and high school entrance exam. To do well on the exam, we must, again, study hard to score high in the subject. Frankly, my English is not good. But I have been doing my best to improve my English in order to pass the college entrance examination .In my case, I force myself to memorize at least a few new words every day because a large vocabulary is essential in learning English well. Second, I review some grammar rules every week, which helps me make fewer mistakes in writing English. Third, I read short articles and then write an English composition every other day. I hope to get high marks in both reading and writing. Now my English is improving day by day, and I hope I can do well in the English test for the coming college examination. 学英文不仅只是一个流行而已，而是一件必须要做的事。就让我们看看生活周遭的事物吧：世界上最新的信息是用英文写的，或是被译为英文。为了要跟上这日新月异的世界潮流，我们必须要具备好的英文能力。用一个更实际的观点来说，英文是大学课程中最重要的

必修科目，也是高中联考中最重要的。为了能使考试成绩出色，我们要再次强调，要用功读英文才能得高分。老实说，我的英文并不好。但是我一直在努力用功，使我的英文进步些，以使通过大学联考。就我而言，我每天强迫自己至少背几个单字，因为要学好英文，必须具备足够的字汇能力。其次，我每周阅读一些文法规则，让我在英文写作方面错误减少。第三，每隔二天，我就读些短文且写一篇英文作文。我希望在阅读及写作方面能得到高分。如今，我的英文每天都在进步，且我希望在未来的大学联考中英文考试能考得好。
