MR. SMITH : Well ,

Yuri , tell me about it. YURI : Im sorry I can ' t bring better news

, sir. The site is a disaster. MR. SMITH : Thats what I was afraid

of. YURI : It is not only the earthquake , sir. But the mudslides.

Much of the north half of the site has been covered over by mud.

MR. SMITH : Mud ? But Ivan told me there were no mudslides in that district. I thought all the mudslides were down in Chichitango.

YURI : Thats what we thought , sir. That ' s what the news

reported. But there was one little mudslide in our district too. Right

above our site. MR. SMITH : Oh , thats terrible ! What bad luck

! I wish we had never come to this country. But , if it isnt the strikes and the revolutionaries , it ' s the earthquakes. Our

operations here are finished ! YURI : Im sorry , sir. MR. SMITH

: Its not your fault , Yuri. But tell me. When will Ivan be able to

get out there ? YURI : Well , it took me about nine hours to get

back here by car. If Ivan leaves tonight , I think he should be there

by tomorrow lunch. MR. SMITH : Good. I want an estimate of

damages as soon as possible. YURI : But sir..... MR. SMITH :

Yes , Yuri ? YURI : I wouldnt recommend sending Ivan now.

Especially not at night. The roads arent safe. MR. SMITH : Has the

earthquake damaged the bridges too ? YURI : No , sir. The

bridges are fine. But Ive heard rumors that the revolutionaries are

coming down from the mountains. There has been fighting , sir.

MR. SMITH : Are you serious ? Fighting ? But I didnt hear anything on the news. YURI : You know the government controls the press here , sir. They dont want it reported. MR. SMITH : Oh , this is terrible , Yuri. Terrible ! So we cant even assess the damages. How can we do business in this country ? Either were buried under mud , or we ' re in danger of getting kidnapped. No , I cant believe this mess ! YURI : Im sorry , sir. MR. SMITH : You dont have to keep saying that , Yuri. It ' s not your fault. But melm the one who should be sorry. It was me who suggested operations here in the first place ! Oh , what can we do ? 史密斯 : 嗯 , 尤里 , 告诉我怎么一回事。 尤里 : 我很抱歉我不能带来好一点的消息。工地的情况很糟糕。 史密斯 : 这就是我所担心的。 尤里 : 并不只是地震 , 还有塌方。大部分在北半边的工地已被泥浆给掩埋了。 史密斯 : 泥浆 ? 但艾文告诉我在那个区域没有塌方。 我以为所有的塌方都在 Chichitango. 尤里 : 那是我们认为是的。新闻是那样报导的。但只有一点塌方在我们的区域 , 就在我们工地的上方。 史密斯 : 喔 , 那真是太可怕了 ! 真是运气不好 ! 我真希望我们从未来过这个国家。如果不是罢工和群众运动 , 就是地震。我们的运作要完蛋了 ! 尤里 : 我很抱歉。 史密斯 : 这并不是你的错 , 尤里。但告诉我 , 艾文什么时候才能到达那里 ? 尤里 : 嗯 , 一共花了我九个小时从那里开回来。如果艾文今晚动身 , 我想他应该可以在明天中饭左右到达。 史密斯 : 很好 , 我想尽快估计一下损坏情况。 尤里 : 但是先生..... 史密斯 : 什么事 , 尤里。 尤里 : 我并不建议现在就派艾文去。特别是在晚上 , 路上并不很安全。 史密斯 : 地震有破坏到桥吗 ? 尤里 : 没有 , 桥还

很好。但我听到一些谣传有关群众运动将会由山区游行。已有打斗了。史密斯：你是认真的吗？打斗？但我没有听到任何新闻报导。尤里：你知道这里政府控制着媒体，他们不想被报导出来。史密斯：喔，这太可怕了，尤里。太可怕了！所以我们连评估损坏都不行。我们要如何在这个国家做生意呢？我们不是被泥浆活埋，就是担心会遭到绑架。不，我不能相信这个乱象！尤里：我很抱歉。史密斯：你不需要一直说抱歉，尤里。这并不是你的错。但我.....我才应该感到抱歉。是我当初提议到这里来经营的。喔，我们该怎么办呢？
