No matter my mother cooks, his only remark is "Dogs food". Last Friday, before my father came home, my mother had been talking on the phone for such a long time that she didnt have time to prepare the dinner. "I am starving. Can I have dinner now?" my father shouted as he stepped into the living room. In haste my mother made a dinner with some canned dogs food which was the only eatable thing left. Having had a mouthful of the food, my father said, "Marvellous!" My mother quickly rushed back to the kitchen and burst into laughter before blaming herself. starving和hungry都解作"饥饿",但前者更甚于后者 in haste 在匆忙之中 mouthful 指"一口" 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
