Chi Keung went to school at about seven, much earlier than the time scheduled for distributing result slips. One of his friends arrived at about eight and saw him walking up and down the hallway near the office.

Wondering why he was so nervous, his friend asked, "Why are you so nervous? You used to have much confidence in yourself!" "Im not nervous," he replied, "Im so excited! because I know I will get straight As for at least eight subjects."
