Choose the correct phrase to complete each sentence or answer the question. 23 Elizabeth says at the beginning that her company is A planning to expand. B small and not very rich. C doing rather badly at the

moment.<sup>24</sup> Steven thinks that his computer system A is just as fast as the latest systems. B is much faster than Elizabeths present system. C is completely different to the newest systems.<sup>25</sup> Steven believes that the real reason the computers in his company are being replaced is A so that the business can move into the international market. B because of a difference of opinion in his company. C because their clients will like it.<sup>26</sup> Elizabeth thinks that the price Steven is asking A includes the price of installation and servicing. B is within the amount her company has budgeted for. C is a perfectly reasonable price for the equipment.<sup>27</sup> Steven agrees that his company will A install the system and pay part of the servicing costs. B pay the costs of servicing for the first year. C install and service the system.<sup>28</sup> Steven offers to train Elizabeths staff to use the system, provided that A the trainers go to Elizabeths company. B only a limited number of people receive training. C Elizabeths company doesnt try to compete with his.<sup>29</sup> How does Elizabeths company differ from Stevens? A It is likely to become larger than Stevens in the future. B It is concerned only with a specialized area of the market. C It has started to operate in more than one country.<sup>30</sup> What does Steven say about the chairs? A He will have difficulty getting permission to include them. B He will be able to give them to Elizabeth as part of the deal. C It is unreasonable of Elizabeth to ask for them.
