tables showing the changes in your family since 1985. Look at the table and write an essay of about 120 words making reference to the following points. 1. What was your home like before 1985? 2. What

are the changes after 1985? 【参考范文】 Changes in My Home

Many changes have taken place in my home since 1985. A few years ago, we lived in a twelve-meter-square room which was used as

bedroom, our study as well as our dining room. I often quarreled with my sister since she often occupied the only small table or the

stool. Later, our family moved into a new house with two large

bedrooms, one sitting room, one kitchen and a clean toilet. A color TV took the place of the old black-white one and a beautiful

four-speaker tape recorder was added. My parents books found a

new place in a larger bookcase and we can keep fruits, pork, eggs in a refrigerator. With the development of society, every familys life has

been improved a great deal indeed. 100Test 下载频道开通，各类
