Mr. and Mrs. Jones ' apartment was full of luggage, packages, furniture and boxes. Both of them were very busy when they heard the doorbell ring. Mrs. Jones went to open it and she saw a middle-aged lady outside. The lady said she lived next door. Mrs. Jones invited her to come in and apologized because there was no place for her to sit. " Oh, that ' s OK. " said the lady. " I just come to welcome to your new home. As you know, in some parts of this city, neighbors are not friendly at all. They are some apartment houses where people don ' t know any of their neighbors, not even the ones next door. But in this building, everyone is very friendly with everyone else. We are a big happy family. I am sure you will be very happy here. " Mr. and Mrs. Jones said, " But madam, we are not new dwellers in this apartment. We ' ve lived here for two years. We are moving out tomorrow. "
