New Seven Wonders picked after global vote 翻译原文：Chinas Great Wall and the statue of Christ the Redeemer in Rio de Janeiro are among the modern day seven wonders of the world in a poll of 100 million people online, it has been announced. The other five are Petra in Jordan, Perus Machu Picchu, the mountain settlement that symbolizes the Incan empire, Mexicos Mayan ruins at Chichen Itza, the Colosseum in Rome and the Taj Mahal in India. The seven winners were announced in Portugal after an online poll by New 7 Wonders of the World. "Never before in history have so many people participated in a global decision," American actress Hilary Swank said at the glitzy presentation at the Benfica football stadium in Lisbon, which was also attended by the tenor Jose Carreras and pop star Jennifer Lopez. The Pyramids of Giza are the only remaining wonder of the ancient world. The traditional "seven wonders of the world" all existed more than 2,000 years ago and were all in the Mediterranean region. The originals were 0selected by one man, believed by many to be ancient Greek writer Antipater of Sidon. However, only one European site, the Colosseum, was picked for the new seven wonders. The Eiffel Tower and the Acropolis had also been contenders. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
