中国政府通过许多年的努力，最终认识到，农民的收入稳定，农业的稳定，农村的建设是全国政治，经济和社会发展的基础。我们各级政府部门必须把他们放在经济工作的首位。都要支持农业的发展和建设。只有这样，中国经济才能快速发展。 参考范文：1、

Through years of efforts and hard work, Chinese government finally realized that stability of farmers' incomes and agriculture, and construction of countryside are the foundations of national politics, economy and social development. The governments at all levels should give priority to the above things, and give support to the development of agriculture. Only in this way can Chinese economy have a rapid development. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
