We often do not take much notice of the people around us who on public service jobs. These people are train station workers, airline stewardess, firemen, policemen, bus drivers, taxi drivers and soldiers. Only during some accident these people are then the first ones to come to our aid and sometimes at the risk of their own lives.

Recently, I saw a big fire in a ten-story apartment house where firemen worked under great danger. Luckily in this case no one was hurt. Each of us have within us the essence of bravery available on our everyday job, or just going to school, or at home. Soldiers are called to show bravery in defending their country from aggression.

Sometimes during a national disaster such as an earthquake or typhoon soldiers are called to help show bravery and strength. 另外增加一篇：Taking Risks谈冒险 Nothing ventured, nothing

gained. Some people take the view that sometimes in life we have to take chances in order to make progress. I admire such people. It certainly takes guts to take risks. Maybe its because of my

upbringing, but I am the type who usually plays it safe. People like me prefer the saying, "A bird in the hand is worth two in the bush."

Conservative as it may be, it keeps me out of trouble. I must confess, however, that leading such a moderate life may, at times, be boring.

Admittedly, my life is not half as colorful or exciting as other peoples but at least it gives me a sense of security. 不入虎穴，焉得虎子。

有些人认为我们在一生之中，有时候必须冒点险以求进步。我佩服这些人。冒险的确须有勇气才行。也许是由于我的成长背景，我是属于那种稳扎稳打型的人。像我这样的人喜欢这句格言：「一鸟在手胜于两鸟在林」。也许这种说法有些保守，但是那可使我免除麻烦。但我必须承认的是，过如此平凡的生活，有时候可能很无聊。无可讳言地，我的生活不及其它人一半的多采多姿和刺激，但是至少它使我有安全感。
