Choosing the right career is very important. For this reason we should try to find out what our talents and interests are and how we can use them. There are many careers open to each of us. Many persons find their place in government service, and many others may be interested in going into the business world. Teaching, newspaper work, medicine, engineering, science - these and many other fields offer fascinating careers to persons with talent and training. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
