Last weekend when I was on the street a Foreigner stopped me to ask directions. Even Though I listen to the English radio station quite Often, but when the man spoke I still had trouble Listening to him. he spoke so fast! I was so excited And nervous that I to k a long breath before I could answer. Actually my mouth could not talk fast enough for all the words going through my head. I took my pen and a piece of paper out to draw a rough map for him. After a few short remarks of thanks and courtesies he took my map and left.

Everything took place within ten minutes, but I felt this short exchange was the opening of a bright new world to me. 100Test 下载频道开通，各类考试题目直接下载。详细请访问
