great , dont you think ? ANDREW : Yes , it is better than last year. They have done a very good job this time. SCOTT : Im glad our booth is on the first floor. More people can see our display.

ANDREW : If someone wants to find us , they can look at this floor plan. It shows where all the companies have their booths.

SCOTT : Let me see that. I didnt get one when I came in.

ANDREW : Really ? They didnt give you one with your ticket ?

SCOTT : No. ANDREW : Thats strange. SCOTT : Where do

you go for lunch around here ? ANDREW : Are you hungry ?

SCOTT : Not too bad. But I will be soon. ANDREW : I went across the street. There is a good Chinese restaurant next to the hotel.

SCOTT : I cant see Comtex on this floor plan. Don ' t they have a booth here ? ANDREW : They must. Let me look at that. Here it is. Comtex. Its on the second floor , next to the Rolly booth.

SCOTT : Oh , that will be uncomfortable for them. ANDREW :

For whom ? Comtex ? SCOTT : Yes. Comtex just stole Darren

McDowell from Rolly. And probably Darren will be here. So he will have to spend the whole show standing next to his old Comtex

coworkers. ANDREW : Ive never met Darren. But youre right.

That would probably be uncomfortable. SCOTT : When you reserve a booth , you should check who your neighbors will be.

Dont you think ? ANDREW : Yes , maybe. If youre Darren

McDowell , you should probably check. SCOTT : Yes. Well , I think Ill go get lunch. Will you join me ? ANDREW : No , Ill stay here at the booth. I ate earlier. Are you going to the Chinese restaurant ? SCOTT : Maybe. I will look around. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
