I also like to try different stands to satisfy my taste buds, for theres a great variety of the food they offer. Besides, for a student like me, the food there doesnt cost me a lot so that I usually eat to my hearts content. I think the sanitary condition at the food stand leaves much to be desired. From my own experience, the food at the food stand is mostly unclean you are likely to get sick due to the poor sanitary condition. In hot weather, food easily goes foul if it is not kept properly. I once got a serious loose bowels after eating a bowl of beef noodles at a food stand. This miserable experience has kept me from eating there for quite a long time. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
