「上馆子」 We frequently eat out at a restaurant on occasions like going to a wedding dinner or a birthday party, or relatives from out of town coming to visit us, or just close friends spending an evening together . Our favorite restaurant called Green leaf specializes in Taiwanese food. On weekends, the restaurant is always very crowded and noisy. the waitresses are always busy carrying food. The food is not heavily spiced, yet very delicious. the prices are reasonable, too. The small children like fish balls, and like their fresh green vegetables. it is really a nice family place to eat. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
