It is always very crowded and noisy there on holidays. Last time on Teachers Day my sister and I had free tickets to go there, and we took two small children with us. When we got there were so many people there that we were very careful not to let the children get lost. There were free balloons given to small kids. There were many different amusement rides, but at all the rides there were long lines of people. Therefore, we did not get many rides. Our two small companions enjoyed the merry-go-round which is a round turning platform that has wooden horses on it. They did not like the airplane ride so much, because the speed and high elevation of the plane scared them. We high a whole afternoon there. By the time we got home, we were a little tired, but we felt like happy small children again. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
