- 1) Is children's education chiefly the responsibility of parents or teachers?
- 2) Some people think that schools should select their pupils according to their academic ability. Others believe that young people with different abilities should be educated together. Discuss both sides and give your opinion.
- 3) Some people think that cultural traditions may be destroyed when they are used as money-making attractions aimed at tourists. Others believe that it is the only way to help traditions to remain in the world. Discuss both views and give your opinion.
- 4) Some people think that news media have become much more influential in people's lives today and that this is a negative development. To what extent do you agree or disagree?
- 5) Children who are brought up in families which do not have a great amount of money are better prepared to deal with the

problems of adult life than children who are brought up by wealthy parents. Do you agree or disagree? 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
