5. UIUC Last year there were 1,400 applications were received for 180 positions, the average grade point average for entering graduate students was 3.6/4.0 and the average general GRE score was 2200 out of 2400. Minimum Requirements (GPA) for the last 60 semester-hours (junior and senior years) of undergraduate study must correspond to a "B" or 3.0/4.0 or higher. If an applicant also holds a master degree, the GPA for must also be at least a "B". Most applicants to the MS or PhD program hold a bachelor or master degree in computer science, computer engineering, or a related area with a sufficient computer science component. Applicants to MCS degree must show a minimum background in computer programming, algorithms and data structures, computer organization, and theory of computation. Admission Decisions Graduate student admission and financial aid decisions are administered by the Fellowship, Assistantship, and Admissions (FAA) Committee comprising a number of faculty members and senior graduate students. The FAA committee evaluates each application received by the deadline, based on the applicant academic grades, GRE scores, reference letters, statement of purpose, and all other relevant information. Applications that are lacking

required credentials will not be forwarded to the FAA committee for review until complete. Applicants will be notified of the status regarding the completion of their file via email. No information concerning an applicant's file or admissions decision will be given to telephone or email inquiries [1] [2] [3] [4] [5] [6] [7] [8] [9] [10] ...
