Victor：Hi,大家好,我是Victor，Nancy：Nancy! Victor：今天我们讨论的Topic是

：Nancy：I have a splitting headache. Victor：这句话是说，我有偏头痛。Nancy：This is when your head hurts, really, really badly. You could also say a “pounding” headache. Victor：当你的头正经受着剧烈的疼痛就可以用这句话，也可以把splitting换成pounding. Nancy：Headaches can be “tension” headaches, from stress, “sinus” headaches, and “ice cream” headaches from eating, and they all can be splitting. Victor：头痛也有很多种，由于紧张引起的叫做tension headaches.而sinus headaches叫做窦性头痛。“ice cream” headaches是因为吃东西过快引起的。Nancy：I have a splitting headache. Victor：I have a splitting headache. Nancy: Thats all for today. See you! Victor: See you!
