If invested, the \$2bn would by some measures triple the

bank ' s equity committed to Asia. 此笔资金并不包括杠杆融资，将直接来自于高盛的资产负债表及其管理下的房地产私人股本基金。 The capital, which excludes leverage, will be supplied from the bank ' s balance sheet and from real estate private equity funds managed by Goldman. 高盛的发展中市场房地产基金(Developing Markets Real Estate Fund)于10月结束筹资，共筹集21亿美元的资金预计其中约三分之二将用于亚洲。高盛还将通过白厅房地产基金为投资融资。 Goldman ' s Developing Markets Real Estate fund closed in October, raising \$2.1bn about two-thirds of which is expected to be spent in Asia. The bank will also fund investments through its Whitehall real estate vehicle. 高盛正向印度和中国总部委派四位董事总经理。作为该行业扩张的一部分，他们将分别在香港、新加坡和孟买就任。 Goldman is assigning four managing directors to India and China, to be based in Hong Kong, Singapore and Mumbai, as part of its expansion in the sector. 争夺亚洲房地产的竞争极其激烈，推动了估值的快速上升。这引发一些分析师们发出警告，称印度等国即将发生价格回落。对冲基金也大量涌进亚洲，它们在流向股市之前就已对各家房地产公司进行了投资。 Competition for real estate assets in Asia is extreme and has pushed up valuations, leading some analysts to warn of imminent price corrections in countries such as India. Hedge funds have also poured in to Asia, investing in real estate companies before they join the stock market. 不过，高盛的发展中市场全球房地产业务主管让·德·布塔莱斯(Jean De Pourtales)表示：“房地产市场的估值(较高)是一个全球问题。像印度这样的国家，其吸引力在

于它仍有巨大的长期增长前景。” However, Jean De Pourtales, Goldman ' s real estate global head of developing markets, said:

“ The [high] valuations in real estate markets are a worldwide issue. The attraction of a country such as India is that it still has tremendous long-term growth prospects. ” 他补充道，中国和东南亚国家也将是他的团队的关注重点。 He added that China and south-east Asia would also be a focus for his team. 同时，各投资银行也在物色员工，以满足亚洲房地产客户在融资和并购咨询服务方面的需求。高盛去年就从瑞银亚洲(UBS Asia)挖来了一个房地产投行团队。 Investment banks are also seeking staff to service demand from Asian clients in the property sector for advice on raising capital and mergers and acquisitions. Goldman last year poached a team of real estate investment bankers from UBS Asia.
