Can you tell me which hand has a comparatively higher temperature? And tell me why. 哪只手的温度要高一些呢？为什么？ It is easy for those who know much about medical field. 对于稍微懂一些身体结构的人来说都应该知道左手的温度要高一些，因为The left hand is near the heart.左手距离心脏更近一些。好了马上进入我们今天的节目： 1. Thats the best bet! 最佳选择! bet:本意是赌博的意思,但是这里应该理解为可能性，一种可能的计划或选择： here is an example: The best bet for me is to finish the assignments on time. 对我来说最好的选择还是按时完成作业。 or else, maybe you will be punished by the teacher.如果不能按时完成作业可能要遭到惩罚。但事实上给学生体罚的老师已经很少了！ At least, Andy is not such a kind of teacher. For me, I would like to keep good terms with my students and sometimes we chat and play with each other.对我来说，最佳的选择就是把学习的动力时时刻刻传递给我的学生，让他们感受到学习的重要性和必要性。 2. You are wet behind the ears.乳臭未干！ In our daily conversation, we use this sentence to show a person who is inexperienced or who is a green hand.我们常用这个句子来表达某人初出茅庐，缺乏经验！ so when you think someone is too young to do sth. you can say to him or her: you are

still wet behind the ears. 所以当你发现某人太年轻，不适合做某事的时候，就可以用这个句子！比如下面这个对话： -Do you think it is a good idea to set up our own business company upon the graduation? -I dont think so! -Why? -For you dont have any experience. That is to say, you are still wet behind the ears! 前不久电视台讨论过这个话题，专家们也建议刚刚毕业的大学生不要急着创业，因为他们没有足够的经验，对社会的了解还不深。 So, lets get together to know more about the society. 好了，节目到此结束， See you next time! 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
