Here are the two sentences I learned while we were eating. 1. Whats the daily special?今天有什么特色菜？ Before you step into the restaurant, usually you can see there is a board in front of the restaurant. That is the board for Daily Special. 今天我和朋友去饭馆吃饭，选了一个特色菜:宫爆鸡丁.Diced chicken with paprikas!这可是我非常喜欢的special. You should know that Andy had been in Sichuan for four years and during that time, I began to like the hot and spicy food. And this daily special is the typical dish in Sichuan.宫爆鸡丁在四川可是很受欢迎的！这里再简单给大家讲解一下special这个词！special作为形容词的意思是：特殊的，特别的；专门的；而事实上它也可以用做名词，意思是特别事物或者特价，那么这里当然就是指今天的特色菜了！好了，这句Whats the daily special?今天有什么特色菜？可是非常有用，for usually it will save your money if you have the daily special!特色菜一般都很便宜。so when you cannot see a “daily special” board, please ask the boss: What is the daily special? 2. I didnt sleep a wink last night. 一晚上没合眼！吃饭的时候，I found that he was tired out, then I asked, “what did you do last night? why are you so sleepy?”.到底为什么会这么困倦呢？Well, I was busy with my final graduation paper and I didnt sleep a wink last night.由于赶着交论文，所以我昨天一夜没合眼！这说明

他昨天晚上一定熬夜了！ to burn the midnight oil! 回顾一下这个句子，I didnt sleep a wink last night.其中的wink的意思是眨眼，所以如果说I didnt sleep a wink，那么就是连眨眼这么短的休息时间都没有！ For me, I dont think that is a good idea to stay up or to burn the midnight oil!大家一定要注意身体，如果经常熬夜的话，你的身体会慢慢垮掉！最后送给大家一句祝福语： Hope you are wealthy, healthy and happy! 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
