Do you want me to arrange a blind date for you? She is really the best girl that I have ever seen. Tom agreed. Then Besty went to Windie and now she is talking to her:

Windie, I know a 27-year-old boy who is quite handsome and knowledgeable. He is now a doctor and doing a good job in a hospital. To tell the truth, he has got brains and he is the most promising man in his field. Do you want me to arrange a date for you? On hearing this, Windie said, Well, you may have a try.
