I am writing to re-question a new student identification card. A thief stole my wallet where I put it yesterday. I have made every efforts to seek it back. However my dear card just simply disappeared with the thief. As you know, the student identification card is extremely useful for us. First of all, the CET 4 is drawing near, and I need it to enter the national test, which is held only two times a year. Besides, the student identification card is also required in the library and it is a “ must ” for me to withdraw money from the bank. Please inform me when you have come to a decision. I am looking for your earlier reply. My telephone number is 54567xx. If further materials are required, I am only too willing to forward to you. Many thanks, Sincerely yours, Li Ming 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
