Perhaps it is only by a kink in my nature, strong in me even in those days, that I felt in such an existence, the share of the great majority, something amiss. I

recognized its social value. I saw its ordered happiness, but a fever in my blood asked for a wilder course. There seemed to me something alarming in such easy delights. 我心里渴望一种更加惊险的生活。

单词提示：kink n. 奇想；majority n. 多数；答案：In my heart was desire to live more dangerously. 本句节选自《The life I

desired》100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
