The young are better educated and more broad-minded. 2. The young enjoy a lot more things than the old: they have money to spend. they are less dependent on their parents. they grow up more quickly. and they enjoy more freedom. 3. The young question the values and assumptions of the older generation and they are right. 4. The young enjoy more freedom and have a stronger sense of responsibility. 5. The old tend to settle differences by conventional politics and violence. 6. Some old people do not have noble ambitions and only strive for material possessions. 7. The old are unable to keep away from the rat race, in which they have lost touch with the most important things in life. 8. The old can learn from the young. Young people are more devoted to their friends. 9. The young know how to enjoy work and leisure and not to be inhibited. 10. The young live in the present rather than in the past or future. Counter-arguments 1. The young do not assume their responsibility. they evade it. 2. The young have too much money and they are spoiled. 3. The young are only interested in themselves. 4. The young seek material possessions like clothing, cars, etc. They do not wish to work for them. 5. The young should feel grateful to the older generation, who have created a good life for them. 6. The old provide the young with a good education and money to spend. 7. The older generation fought in the two world

wars. They faced real problems, but the young have an easier life.8. Young people have too much freedom and have no sense of morality.9. The older generation is too kind and soft with the young. A tougher policy is needed and might work wonders.10. Young peoples outlook on the world is very bleak and they are sceptical of everything. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
