You should write at least 120 words according to the following guidelines(given in Chinese): 1 . 很多城市缺电现象严重 2 . 分析原因 3 . 提出建议

On Power Failure Recently, every morning when I wake up, I find my air-conditioner automatically turned off . I didn ' t understand why at first , but soon I learned that there was a great shortage of electricity supply in our city my air-conditioner turned off because of a power failure midnight. With the rapidly developing industry and the ever-increasing population, demand for electricity supply is soaring. Besides, summers in recent years are much hotter than before , so most working places and households are air-conditioned , which consumes additional electricity. Face with such a hard nut , we have to find ways to crack it . Above all , in western areas China , there is surplus of electricity supply. So , cities that are thirsty for electricity may ask for remote help. Then ,when we have electricity , we should remember to save it . Set your air-conditioners at 27C and you won ' t feel less comfortable than when they are at 26C . In fact , some factories already shift their working hours to avoid the peak time of electricity consuming. My parents don ' t work from Monday to Friday as before they work form Saturday to Wednesday and have the following two days off instead. This is also a way out , isn ' t it?
