Many parents, for various reasons , missed the chance of obtaining a good education. when their children meet with difficulties in study, they are helpless, Private tutoring is the only solution. As private tutoring is usually one-to-one, the teacher knows the strong points as well as the weak points of the pupil, clearly.However, private tutoring has its own disadvantages, for one thing, it takes up so much of the pupils ' time that they can hardly find enough time for rest and entertainment, which are essential for their physical and mental health. For another, some teachers, busy “ shuttling ” from one family to another, tend to neglect their regular teaching duties. What ' s more , some teachers are eager to help pupils do well in the test, offering the so-called tips for test - taking rather than help them acquire what is more meaningful.Generally speaking, its disadvantages outweigh its advantages.
