Do you agree or disagree? 好多鸭子说不好写,我们家小暴和Bagwell打电话的时候就说自己写完了都觉得不大理解.我是这样分析的,如果同意,就从不同时代的差异来写,比如1. Times has changed, therefore the traditional ones will not be adaptable to the present society. 2. The different generations have quite different thinking patterns, for example, the old are

conservative and stubborn, while the young are ambitious and enterprising. 3. Varying educational background is also responsible for this phenomenon. 如果同意: 1. Their experience has endured the test of time, therefore, it will turn out to be of great help for the young to avoid detours. 2. The traditional ideas or virtues inherited from the old generations, like to respect the old and to cherish the young, has become part of cultural essence. 下午口语好像还顺利, 每当考口语的时候, 我就会想起我们家菲利浦在寒风中屹立整整一个下午, 直到五点钟自己考试的感人事迹, 听说期间用掉了一卷超大型卫生纸, 两次濒临昏厥的边缘--- 最后, 向继续奋战在雅思战场上的大大小小的烤鸭们致敬! 100Test 下载频道开通, 各类考试题目直接下载。详细请访问 www.100test.com
