They hold the opinion because , living with parents , they can take better care of their parents and vice versa. Meanwhile , they can turn to their parents for help if they get into trouble or have some difficulties. To them, life in a big family seems to be more enjoyable than that in a small family.Others, however , prefer to live separately. They cherish the idea to be independent of their parents, seek more freedom and wish to have a place of their own, in which they can do what they like. Besides , they don ' t want to be overprotected by their parents but long for chance to face the society by themselves.As to me , I like an independent life style in spite of the fact I love my parents. Different generations have different life styles and values. What one generations likes may not be another generation ' s fondness. Living separately , each generation can enjoy different value. In addition , by leading an independent life , I can train my character and develop my own ability to deal with things encountered in my life. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
