注释1 You can use opposite adjectives for comparison and

effect,e.g.: It ' s cheaper than the other shop but still expensive / It

' s cheaper than the other shop but still expensive: It ' s better than

the Italian restaurant but it ' s still not very good / It ' s better than

the Italian restaurant but it ' s still not very good.你可以用意思相

反的形容词来表示比较和结果，例如：It ' s cheaper than the

other shop but still expensive /比那家商店便宜，但是还是贵。：

It ' s better than the Italian restaurant but it ' s still not very good /

这家比那家意大利餐馆好，但是还不算非常好。 2 With

adjectives, you can also qualify them and compare things by using

less / less and more / more, e.g.It ' s less cold today(than yesterday) /

It ' s less cold today (than yesterday) : The shop was more expensive

than the market / The shop was more expensive than the market.在比较事物的时候，你还可以用less / 较少 和 more /更多来修饰形容词，例如：It ' s less cold today(than yesterday) / 今天不太冷(跟昨天比起来).The shop was more expensive than the market / 这家商店比市场更贵。 Key phrases and sentencesThat ' s 1000 yuan.Mmm . . . that ' s still very expensive.
