WRITING : The Integrated Writing Task #8226. You have 20 minutes to plan and write your response. Your response will be judged on the basis of the quality of your writing and on how well your response presents the points in the lecture and their relationship to the reading passage。 Typically , an effective response will be 150 to 225 words。 Third , influential people might emerge , and lead the group towards glory or failure。 If the influent people are going in the right direction there would be no problem。 But in the cases where they go in the wrong direction , there is nobody that has enough influence to counter the decision made。 In other words , the group might turn out into a dictatorship , with the influential part as the leader , and might be less flexible in thinking。 They might become one-sided , and thus fail to succeed。 大家可以看到 , 满分的作文仍然是可以有不影响理解的拼写错误的。
