在外国出差旅行，不想带那么多现金累赘，您可以选择旅行支票或是双币信用卡。使用旅行支票就涉及到一个支票兑换的问题。下面我们来看看来中国旅游的T女士是怎么兑换她的旅行支票的吧。T:

Hello! May I help you?您好，您有事需要帮忙吗？C: Yes, I hope so. I need some more cash for my visit in China. May I cash a

travelers check here?哦，是这样。我需要些现金，在中国游览时使用。我能在这儿兑现旅行支票吗？T: Of course. Wed be

happy cash it for you.当然，我们很乐意为您兑现。C: I was going to cash it at the hotel, but one of my friends said that banks

always give better exchange rates.我原本打算在旅馆兑现，但我朋友说银行的兑现率通常会高一点。T: Well, any bank will cash

it at our present travelers check-buying rate, which are somewhat better than at hotels because of the service charge. You see, hotels

arent really in the money exchange business although they will cash travelers checks for their guests.任何银行都是按现时买入旅行支票的

兑换率来兑现的。因为手续费的差异，我们的兑换率比旅馆的稍高些。您知道，旅馆虽然为客人兑换旅行支票，但他们并不是专门从事兑换业务的。

C: You mean theres really not much of a difference?您是说，实际上银行与旅馆的兑换率差距并不大。T: No, madam, not very much.是的，夫人，没多大差距。

C: Well, may I cash these three checks for \$100 each? I think that will be enough.那么，麻烦帮我兑换三张100美圆的支票吧

，我想该够用了。 T: Yes, Ill be happy to cash these for you.
Would you please countersign them here?好的，我很乐意为您兑换。
请您将支票复签一下。 C: There you are.签好了。 T: And
will you please sign this foreign exchange request? Ive already written
down your name and address for you, but I will need your passport
number.请签一下这张外币兑换申请表。我已经写好了您的名字地址，
还需要您的护照号码。 100Test 下载频道开通，各类
