天天坐公共汽车，有没有想过要了解一下公交车上的英语该怎么说？不急，我们先来看一段发生老外公交车上的对话：

Bus driver: Move to the rear of the bus, please. There're plenty of seats in the rear.

Daisy: How much is the fare, please?

Bus driver: Thirty cents. Drop it in the box.

Daisy: Does this bus go to Washington Park?

Bus driver: Take Bus No. 9. This is No. 6.

Daisy: But somebody told me this is the right bus. I'm going to Park Avenue.

Bus driver: This is the right bus. I'll let you off when we get there.

Daisy: Thanks a lot.

Willie: I'd like a transfer to the 66th street cross-town bus. How much is the fare?

Bus driver: (Giving him a transfer.) There's no charge for transfers.

Willie: Is it good on any crosstown bus or only on the 66th street crosstown?

Bus driver: That transfer is only good on the 66th street bus.

Willie: I'm going to First Avenue. Is 66th Street my best way to get there?

Bus driver: Yes.

Judy: Does this bus go to Washington Square?

Bus driver: No, take Bus No. 10 across the street.

Judy: Thank you.

Notes : 1. Move to the rear of the bus每次上车的时候都会听到售票员说：“往后走，往后走，后面有座呢！”当然了，口气可没有上面对话中的那位老外司机那么客气。这个“往后走”就是“Move to the rear of the bus”了。Rear这个词的意思是“后面、背面”，那“In (the) rear of”就是指“在……后面”了。2. 不管是刷卡还是买票，这个坐车的费用都可以说成是fare。如果想问“到……多少钱”，可以这样问：I'd

like to go to... (目的地). How much is the fare?3. Drop it in the box.
如果要让你无人售票汽车上，告诉外国人把钱扔进投币箱该怎么说？ Drop 1 yuan or 2 yuan in the box. 千万不要小看英语中小词的威力，在外国人的日常口语中经常会用的。 100Test 下载频道开通，各类考试题目直接下载。详细请访问
