吗？ In Money Everything？ I don't think money is everything, but we can't do without it. For example, money can't buy us happiness and a good education. And for another example, money can't buy us good health and a long life. But we can not live without money. We need it for our daily necessities such as food, clothes and transportation. What's more, we need it to live a better life. In short, we should learn the value of money and make the most of its advantages. 第二篇：1.一些人喜欢住在城市，因为城市生活有许多便利。2.但有些人喜欢住在农村。3.我认为，.....

Where to live in the City or in the Country Some people like living in the city because city life has many advantages. They think there are more job opportunities in cities, life there is more colorful and meaningful than that in the country, and there are more modern conveniences in cities for people to enjoy. But some other people prefer to live in the countryside. They say life in the countryside is closer to nature and better for their health, life there is quieter and that country people are more honest than city people. I would like to live in a city when I am young to earn enough money and I live in the countryside when I am old for having a quiet life. 第三篇：你叫李平，是英语系学生会主席。写一封信给王教授，请他做一个有关中国历史的报告。注意信中要包括目的、时间、日期和地点。 Writing May 19, 2002 Dear Professor

Wang : On behalf of the Student Union of the English Department , I am writing to invite you to give a lecture on Chinese history. We have planned to have such a lecture at 2 : 30 p. m. in Lecture Hall 419 , on May 25. Looking forward to your lecture. Inform us in advance if you can not come. Sincerely yours , Li Ping

第四篇 :
男女应该平等吗 ? (Should Men and Women Be Equal ?)

Should Men and Women Be Equal ? People have different ideas about this issue , Some people say that men are superior to women in ability because men are physically stronger , do most of the hard labor in the world and hold most important positions. Other people believe that women have the ability to compete with men. There have been many famous women state leaders and great scientists in the world. We should fully carry out the principle “ to each according to his work ” so that the enthusiasm of both men and women for work can be fully aroused.
