**Clothes** IN my closet I have clothes of many colors but my favorite color is white . White strikes me as such a easygoing color. For this reason I feel that I always look good and I feel good when I ware white. Gradually, I have added pieces to my collection of clothes but they all go together with each other and with the color white. My wardrobe is coordinated around a color that both flatters me and makes me feel good.

**Music** My favorite music is pop music /I am more interested in pop music than classical music. On the one hand, it is easy to understand and close to our lives. That ' s why so many people love it. Meanwhile, by listening to pop music, I can keep up with the time. On the other hand, although classical music has so much more depth and meaning, I haven ' t got the appetite to enjoy yet. Theoretically speaking, pop music is roughly divided into two types: music which stimulates people and music which calms us. It seems that music which stimulates us gives rise to actual changes in our bodies. So if I am tired or drowsy during my work hour I will choose the stimulating music, because if we listen to it, our hearts beat faster , our blood pressure rises, and our blood flows more quickly. On the other hand, I ' ll listen to calming music. In this way, my heart beats more gently, my pressure 0drops, and I feel calm. The sooth flowing melodies help me relax.

**Culture** The rudest thing a person can do in our culture is to abuse someone in public. It hurts

people ' s feeling and damage people ' s reputation. Abusing shows selfishness and a lack of respect to others. If I am trying to catch someone ' s attention in a meeting to discuss something or in a store for assistance, it can be very embarrassing to be ignored. It can hurt people ' s feelings and make people lose self-confidence. Furthermore, it makes anyone witnessing this rude behavior uncomfortable. Overall, the rudest thing you can do is to ignore someone as it hurts everyone involved. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
