Is Money Everything? I don't think money is everything, but we can't do without it. For example, money can't buy us happiness and a good education. And for another example, money can't buy us good health and a long life. But we can't live without money. We need it for our daily necessities such as food, clothes and transportation. What's more, we need it to live a better life.

In short, we should learn the value of money and make the most of its advantages. 第二篇：1.一些人喜欢住在城市，因为城市生活有许多便利。2.但有些人喜欢住在农村。3.我认为，.....

Where to live -in the City or in the Country Some people like living in the city because city life has many advantages. They think there are more job opportunities in cities, life there is more colorful and meaningful than that in the country, and there are more modern conveniences in cities for people to enjoy. But some other people prefer to live in the countryside. They say life in the countryside is closer to nature and better for their health, life there is quieter and that country people are more honest than city people. I would like to live in a city when I am young to earn enough money and I live in the countryside when I am old for having a quiet life. 第三篇：你叫李平，是英语系学生会主席。写一封信给王教授，请他做一个有关中国历史的报告。注意信中要包括目的、时间、日期和地点。
