1: The large post obscured part of their view of the stage, so Jim missed seeing some of the action. 2: Victoria felt that the information was insufficient and, therefore, postponed the decision until more data was available. 3: She was fined because the equipment was not being operated in compliance with safety regulations. 4: Since the compensation for his new job is higher, Ray now earns enough money to make payments on a new car. 1. obscured: 遮掩 2. insufficient: 不够的，不充分的。 3. compliance: 遵从，服从。 4. compensation: 偿还。根据提示写出下列单词的中文意思。

1. Fran took on an extra job in order to augment her meager salary. augment: _____

A1: If Fran needed an extra job because her salary was very small, she needed to increase her income. Augment means to "increase" or "make greater." 2: The driver took an alternate street so that he could avoid the roadblock. alternate: _____

A2: If the driver needed to avoid a blocked road, he would choose a different road. In this case, alternate means "substitute" or "second choice." 100Test 下载频道开通，各类考试题目直接下载。详细请访问
