I dont know why I slept so well after agonizing all weekend over the question of home, if I had one anymore, where it was. I only know that curled up under an old sleeping bag, the sound of some second-rate guy movie playing in the background, my brother in a chair next to me, 我觉得既安全又舒适,或许家的一部分就应该是这样的。 单词提示：insomniac n. 失眠者； couch n. 床 答案：I felt safe and comfortable and maybe thats part of what home is.本句节选自《They say you can never go home again》 总结：根据第一天沪友的回复第二天登出，请关注。 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
