For a long time, __1__ this concept operated under common understood restrictions. __2__ It was used to refer to a certain genre of literature. a certain __3__ aspect of literature in general the element of plot, action, or fable, including such constituents like character, setting, __4__ scene, and so on. and to any narrative or story contained __5__ a large element of invention. But recently, the concept of "fiction" has undergone an extension. Though still used to __6__ refer to the action or plot of literary work, it has come to __7__ be applied to something more: to the ideas, themes, and beliefs that are being embodied in the action or plot. It is __8__ not only the events in literature that are regarded as fictive but the "message" or "world view" conveyed in the presentation of the events as well. And this is not the end of the matter. Gone a step further, critics now sometimes suggest, by a kind __9__ of tautology, that literary meanings are fictions although all __10__ meanings are fictions, this critical view asserts that "life" and "reality" are themselves fictions. 答案及解析: 1. either both both...and... 为固定搭配。 2. common commonly 过去分词 understood 作定语，需要副词修饰 3. 在第二个 a certain 前加 to 与前面的 to 短语并列，都为 refer to 所加的短语 4. like as 或 删掉 such such...as 为固定搭配。如删掉 such 则为单独由 like 引出所举的说明性的例子 5.

containedcontaining现在分词做定语，相当于定语从句。6. extensionexpansionextension与expansion为形近词，前者强调纵向的扩大，增加或延长，后者着重多方位的，全面的发展和扩大。7. workworks此处指的是文学作品，常用works。8. 删掉being整篇文章都为一般现在时。9. GoneGoing现在分词作状语，表示动作由主语发出。10. althoughbecause应该是原因状语从句，而不是让步状语从句。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
