篇：中英思维差异1) 中式思维：情感分段、读者领会、迂

回模式、归纳式思维2) 英式思维：逻辑分段、作者交代、

直线模式、演绎式思维 Most people thought that read books

should have been 0selectived. But others belived reading extensively

was correction. Selective books or reading extensively? Sure, you can

choice one from previous ideas, on one hand, There are too book to

read for us. We should choose those which we intrested, and it

would be helpful for us. on another hand. Someones intresting was

wide. Each book could bring you specific contain we couldnt

reading at only one level. I confirmed all of these ideas were good but

werent wise. As a reader, the main task is to discover more and more

books the second task is to held some which wonderful and helpful

for us. Dont treat these books with rackless abandon. The best

technology of reading is connect. 2、教材第4页第2篇：I think

reading not only 0selectively but also extensively. Because the two

sides are not contradict. Our time is limited. So we can not read

every book in the world. However, we will not be interested in every

book. We should read those books may be useful to ours, read those

books which we like. But those books which we choose must be

extensively so it can give ours all kinds of knowledge, news and so

on, it also make ours become a wise man. On the one hand reading

0selectively let ours not waste our time which it is limited. Moreover

it can emphasis among all books that we can read. On the other hand reading extensively can deal with all kinds of need in our life. They are all useful to ours.

3、 教材第5页第3篇 : Some people think reading shall be choosed. Because some books are good to hummen beings and some books are harmful to people. Some people think that men shoud read books widely. Because wide reading can help man get much knowledge. And man can use it to change the world.It is my point that reading must be 0selectively. Because reading is important to man. Some books can help man but some books can lead some people to crime. It can be seen in the newspapers and watched on TV. We can make full use of some good books and gain more useful knowledge. It can make our life more beautiful. we must give up those unhelpful books. They are not good to us. Reading them is wasting time and money. So reading 0selectively is an important part in reading.

4、 教材第5页第2篇 : How should we read? Should we read 0selectively or extensively? Everyone has his own view.Some people think we should read 0selectively. They argue that with the development of modern science and technology, more and more books are published. It is impossible for us to read all the books. Whats more, there are many bad books that are poisonous to our mind, and we shouldnt read them. Since we cant read all the books and we shouldnt read bad books, we must read 0selectively. But others may not agree. They emphasize that todays society is not what it was. If one man has many kinds of knowledge hell have more chances to succeed. If a man knows much in one field but knows nothing in other fields, he may be useless. Since we must have many

kinds of knowledge, we must read extensively. Whos right? I think both of them have something right. But I think we should read extensively first. We should read books in many fields, and read 0selectively in one field. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
