The past several weeks were consumed in London and Singapore respectively on conference interpreting responsibilities. Fortunately, invited by Global IELTS Jinan and recommended by Global IELTS Qingdao, I had the chance to mention the overall trend of Task Two exam items in 2007. Here I present some of the tip-offs I focused in Jinan to those who are interested. What in 2007? & so 2008?

January to April 题型：What is your opinion? 为主题目：广告/电子（商务）/教育/政府职能 May to August 题型

: Agree/disagree 综合类题型（变态题型） 题目：个人退休/food/countries间关系/教育/电子/旅游/交通/ September to December 题型：Agree/disagree 为主，BUT！ 题型结合更加频繁 题目：国家间关系/广告/生活习惯/语言学习/教育/政府职能/犯罪的处罚/交通 12.1号题目：throwaway society的成因及其后果。 2007, changes? What? 题目变长，废话增多，理解难度增大； 题目变细，观点不易寻找； 题目理解难度加大，跑题频繁发生； 评分标准更具体，考察学生语言功底； 额外的要求，学生忽视具体要求； 有了半分，考官刻意打压分数。 2008, What will happen (presumably) in the first several months? 题型结合； 旧题目的变细 旧题目的题型变化； 流程图及其地图题出现的可能性存在； 对连贯性和结构性要求更高； 考察题目重点：电子，教育，政府职能，广告，国际关系，交通，生活（环保，food，个人习惯），犯罪的处罚
