tower. In the first floor this is the famous carved screen of "remake of Yueyang" Its made of 12 blocks of purple sandalwood .For many years ago. because the Yueyang tower is extremely attractive many scholarly visitors and civilians with literary background they expressed their feeling with literatures .so a lot of poems and essays had been created at the time ,the Yueyang tower was gradually well known in china. But who made the tower even better known in the fourth year of Qingli Song dynasty Tengzijing was appointed at Baling jun .he had done many good things for the common people. First ,diked to prevent the flood of Dongting lake .second started to cultivate the talents ,Third rebuilt the Yueyang tower and inscribed many poems on the walls of the tower .mr teng said"there must be an excellent essay that could match the popularity of Yueyang tower" so mr teng invited his dear friend Fangzhongyan to compose an essay. So this is the " remake of the Yueyang tower "the whole essay has only 368 characters but in china this essay has been deeply rooted in the Chinese people's mind from generation to generation .especially these words" a leader should play and worry a head of people and enjoy the fruit after the people" these express a very strong altruistic and patriotic feeling from then on Yueyang tower became widely famous in china. please follow me to the second floor its very surprise for you to find another carved screen" remarked of Yueyang tower in fact one of them is fake but which one is original? screen in the first floor is replica if you look carefully you will find one of the characters in the replica is shorter than the truth. Ok we have come to the third floor this is the shortest couplet in Yueyang tower just 8 scripts contrast to

the longest one in the first floor when we stand at the third floor what we have enjoyed is just like what the shortest couplet expressed the tower offered a special feeling mixed by the imposing landscape of Dongting. There is a screen here "Climbing Yueyang Tower" which is written by a famous poet Du Fu. When we read the brilliant poem, let's imagine "In late autumn everything is gloomy, the poor and old poet climbed to the top of the tower. Everything he saw made him so sad and with tears in his eyes, he wrote the poem. So today we have climbed to the tower, how about your feeling? I'm sure you will have different opinions because the weather is sunny, the lake is calm, and the work of yourself is successful. Together the beautiful scenery and feeling the local cultural of China, everything is so good. So let's cherish this precious feeling in our hearts. In a word, Yueyang Tower is a unique combination of artistic value, constructions, and sculptures. OK, so much for this, thanks for your cooperation and make the trip a special pleasure.
