(1) No doubt, I choose A, because there are too many benefits that outnumber its disadvantages. But B on the other hand, has advantages no more than its disadvantages. The most important benefit of A is that\_\_\_\_\_\_. To achieve the same effect, B will\_\_\_\_\_. Another benefit of A, which B almost cannot achieve, is that \_\_\_\_\_. Although B also has its seemingly profound advantages, it can only be achieved conditionally because\_\_\_\_\_. After understanding the reasoning above, it is quite safe now to say: to choose A is a wise action. (2) Some people hold the opinion that A is superior to B in many ways. Others, however, contradict A. Personally, I would prefer\_\_\_\_\_ because I think A has more advantages. There are numerous reasons why\_\_\_\_\_, and I would here explain a few of the most important ones. The main reason is that\_\_\_\_\_. It can be given a concrete example\_\_\_\_\_. Another reason why I advocate the attitude of A is that\_\_\_\_\_. Take the case of a thing that\_\_\_\_\_. One very strong argument for A is that\_\_\_\_\_. This demonstrates the undeniable fact that\_\_\_\_\_. Of course, choosing B also has advantages to some extent, \_\_\_\_\_. But if all these factors are

complicated, the advantages of A carry more weight than those of B.
From what has been discussed above, we may finally draw the
conclusion that.二、观点对比型2 Some
people believe that A while others consider B more appropriate. Give
advantages and disadvantages of the two positions and explain which
position you support. (1) Some people believe

that While both methods may have their advantages and
disadvantages, they can be applied under different circumstances.
Afterwards, I will explain my opinions about it. For A,
