Some people like A. others like B. Which one do you prefer A or B?

(1) No doubt, I choose A, because there are too many benefits that outnumber its disadvantages. But B on the other hand, has advantages no more than its disadvantages. The most important benefit of A is that _____. To achieve the same effect, B will _____. Another benefit of A, which B almost cannot achieve, is that _____. Although B also has its seemingly profound advantages, it can only be achieved conditionally because _____. After understanding the reasoning above, it is quite safe now to say: to choose A is a wise action. (2) Some people hold the opinion that A is superior to B in many ways. Others, however, contradict A. Personally, I would prefer _____ because I think A has more advantages. There are numerous reasons why _____, and I would here explain a few of the most important ones. The main reason is that _____. It can be given a concrete example _____. Another reason why I advocate the attitude of A is that _____. Take the case of a thing that _____. One very strong argument for A is that _____. This demonstrates the undeniable fact that _____. Of course, choosing B also has advantages to some extent, _____. But if all these factors are

complicated, the advantages of A carry more weight than those of B. From what has been discussed above, we may finally draw the conclusion that_____.

二、观点对比型2 Some people believe that A while others consider B more appropriate. Give advantages and disadvantages of the two positions and explain which position you support. (1) Some people believe that_____. Other people hold the opinion that_____. While both methods may have their advantages and disadvantages, they can be applied under different circumstances.

Afterwards, I will explain my opinions about it. For A, _____ . But this also demonstrates that_____. Moreover, _____. B, on the other hand, _____. For example, _____. In my opinion, the advantages of B are more than those of A because B fits me better in two ways: First, _____. Second, _____.

(2) A and B are two totally different ideas that have caused a heated debate for a long period. Anyway, I agree with the idea of A. However, it is unfair to say which is better than the other if we do not see both sides of the story in the following paragraphs. Some people believe B because_____. These people point out the fact that_____. They also argue that_____. However, other people stand on a very different ground, they believe that_____. They firmly point out that_____. An example can give the details of this argument: _____. In addition,

_____. In a word, A is too tempting
not to be chosen. A, as shown above, has _____. _____.
