Spot Dictation:1. Well it ' s quite interesting, isn ' t it? I mean, overall you ' re never going to please everyone always. I think one of the main benefits is perhaps something _____.

Earnest, I wasn't. And that's _____ people with different roles, different jobs _____. Sure my responsibility is to _____. Everyone wants a _____, needs help with the _____. I am always hearing about the problems. Never good things, of course, with the _____. Here we're sharing experiences, different viewpoints, bringing in the ideas, which reflect our different roles. Then again that's maybe a problem in itself because I really don't see how I'm going to _____ all this in my _____. I'm sure that next week it'll all have _____.

2. Frankly I wonder if my time _____ been better spent back in the office. Well, I don't want to sound negative. Maybe it's just me. I grant you there's some _____ going around. _____ really. All these visions of what could really be happening, pictures of the possible future, and more have you. But, at the end of the day, we'll be back at the same _____. And I'll be _____ and _____ around, and still be expected to do _____ at once. So if I'm honest, I'm _____ how all these _____ are really going to help me in my job. A letter is still a letter, isn't it? Mind you, I'm not saying it's not _____. In some ways.

3. I feel very _____ and on top of everything it's a great way to meet everyone. It's really helping my confidence. The sessions on technology have been interesting because I know so little about it. They've told me I'll get more on that as time goes by. And actually my problem's not really that, because, well, what I need _____ is some kind of _____, some kind of feeling

of _____. You know _____. I don't know _____ in five years' time, you see. So I'm not quite sure what I need to know now. That's why it's a bit _____ that each lecture seems so _____, so _____? I'd like a _____ to be _____. 4. It's going pretty smoothly I'd say all in all, we've had worse, we've had better, and given that we had to put the _____ tighter at a pretty short notice. Having said that though, I am not at all sure _____. I don't know, I think half the problem is people come to something like this with so much hope. I mean they _____ the world is going to change overnight. And of course _____ is that simple. I hear them complaining, but not about _____, _____, that is not quite what they want, too _____, too _____, and so on. Anyway, the _____ and the _____ seem to have gone down all right. And I suppose _____ worry about. 5. Yes I think what is being worth it is worth it. It's difficult of course _____ the costs and benefits, the time lost from the office compared to what I am _____, but I've always said our staff, our people are our biggest _____. So anything that _____ must be a _____ in itself. Of course much will depend on the _____, which I hope the _____ can _____ reasonably soon. Otherwise I won't really _____ to know if I did make the right choice. My main _____ at this stage is that I don't see _____ on the system, on the IT side of things. And that's a great pity, because it's vital that we explore our

_____ to get the best out of them. I want a company that is right _____. Part Three 1. Spot dictation: 23. I suppose because they push profits up. Yeah, well, not exactly. I mean, yes, ultimately that can happen. But it's more if you get an efficient scheme going when it runs well. Then the _____ is people _____, that they _____, so they get _____ around the place. 24. Um, certainly you've got to be seen to respond, but actually, the first thing, crucially, to acknowledge it. I'd have thought we could use the _____ for that. Put the suggestions on it so people see immediately that it goes somewhere. 25. But I do think, whatever level they are at, that I am _____ the research and development people. I think _____ there. Yes. I mean R&D could be setting their own agenda because they could just _____ putting forward existing ideas and then getting extra for them. 26. I don't think we can _____ the time. It happens on too many _____. Why don't we just say we _____ the _____ of the idea _____ to the company and pay a _____ of that right away? So _____, for example. Sounds _____. 27. More chance of _____. But we _____ make any promises. I am not even _____ profit or sales _____ here. Just say an idea that they'll _____ if they _____ new ideas. 28. Let's start with Head Office, shall we? Or one of the regions? Well, we've got to start _____. How about the _____ office? Uh, and then spread to everywhere else later. Right. 29. What? Even by phone? I see what you mean. Could be pretty _____. If we

get a lot. Or _____? Would be _____. They are simple and direct. In a box, maybe, in Reception. But then we ' ll be _____ any people who don ' t go in there. True. Ok. They can _____ to us then. Well, I hope this is going to work. _____. It ' s not a question of whether it _____ but how well. 30. We could just give an initial report on _____ in the first month or something like that. That ' s the most _____ game and should be enough to start with. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
